The Green Dragon Award: Part 2

As for the White Dragon Award, the emphasis of this award is placed upon participation.

Those taking Part 2 will have completed and passed Part 1 of this award.

Candidates will need to complete all the listed activities to pass. A pass will be awarded to anyone who can complete the tasks set out competently and consistently.

The activities to be completed in this award are technically more advanced than the White Dragon Award.

The examiner will be a qualified WPA coach.

Activities to be completed

1. Demonstrate how to hit a boule without landing more than 50cm in front of the target boule at 6m from the throwing circle.
2. Demonstrate how you correctly measure the distance between a boule and a jack.
3. Demonstrate how you correctly measure the distance between the circle and the jack.
4. To play a game of doubles adhering to the Rules of Petanque utilising all the shots performed in this award. Candidates will pass this exercise, providing that they have shown to the examiner that they have worked together as a team. This task must be completed to the satisfaction of the examiner.

While performing the above tasks, the examiner will record the stance, which forms part of the assessment.

Understanding

Candidates should be able to prove an understanding to the examiner of the following:

- What do the following terms concerning a team of three players: pointer, shooter and middle?
- What are the three scenarios to determine that a jack is dead?
- Why is it important to mark the positions of the boule and the jack after each boule has been thrown?
